EDUCATION

- Master of Science, Emphasis: Communications, University of Idaho, Moscow, May 1991. Cumulative Average 4.0 on a 4.0 scale.
- Bachelor of Science, Emphasis: Natural Resources, University of Vermont, Burlington, May 1983.

PROFESSIONAL EXPERTISE

Grant Writing and Grant Administration:

- **Authored, received funding, and administered** successful state and federal government, corporate and foundation grants, with a combined financial value of several million dollars. **Obtained an 85% success rate in getting grant projects funded.** Areas of emphasis include public facilities & infrastructure, fire & emergency services, health care & affordable housing, conservation & natural resources, etc. In addition, I have implemented and administered multi-million-dollar capital campaigns for educational and infrastructure development projects.

Community Survey Development and Strategic Planning:

- Prepared and implemented **professional market surveys** to determine demographics and community needs for City of Pateros, Grant County Fire District #3, Stevens County Fire District #1, Three Rivers Hospital, Chelan County Fire District #1, Nile-Cliffdell Fire District, Douglas Okanogan Fire District #15, Foster Creek Conservation District, Cascade School District.

NEPA & SEPA:

- Prepared SEPA and NEPA documents and coordinated public involvement processes for Grant County Fire District #3 and Asotin County Fire District #1.
