

Need More Firefighters? **A SAFER Grant May Be The Answer to Your Funding Needs!**

Staffing for Adequate Fire and Emergency Response (SAFER) Grants Can Be Used For:

- Hiring Firefighters and Volunteer Coordinators
- Providing Recruitment & Retention Incentives for Volunteers
- Conducting Staffing Needs Assessment

“Michelle has enhanced our ability to be bold and innovative with our 5-year plan. Her insightful guidance, patience and ability to mine out the best stories has been instrumental in our grant award success. Our SAFER hiring grant enabled us to add 4 personnel which allows us to reliably staff an Engine. The force multiplier has significantly improved firefighter safety on all jobs from structure fires to EMS response.” **Michael S. Kytta, Fire Chief, Riverside Fire Authority (Centralia).**

\$1,308,736: Hiring 4 New Firefighters;
\$626,170 - Recruitment & Retention,
Riverside Fire Authority, Centralia

SAFER Grant Opportunities are Designed Specifically For Your Fire District

Things to Know About This Program that Make it Advantageous to Your Department:

- The Recruitment & Retention Incentives program funding period is 1-4 years.
- The Hiring program no longer requires your department to retain newly hired career firefighters beyond the 3-year grant period.
- Grant writing fees can be included in some applications.

Resource Solutions LLC has Obtained SAFER Funding for Fire Districts Throughout the State
